**TO WHOM IT MAY CONCERN**

**LETTER OF REFERENCE**

**Victor Wright** joined **GAMA** in May 1992, as did both of us, specifically to set-up a Corporate Engineering Department and a Corporate Catering Department.

In his position as the Secretary for **two** departments, his workload progressively increased as both functions became more involved in supporting upto ten (10) Projects, spread across the Kingdom.

**Victor** absorbed the workload, kept his head at all times and proved to be meticulous in his approach to tasks.

He also developed into a **highly innovative** Computer Operator.

He is certainly gregarious, friendly and positive in his attitudes.

He served **GAMA** well and will undoubtedly enhance his future employer's operations.

He leaves us with sincere best wishes.
